

Show your organization's Southwest pride

The Southwest Dream Team is offering our 2nd wave of Southwest Louisville Avenue Banners. These banners offer businesses and organizations an opportunity to promote themselves along busy areas of our business corridors while supporting Southwest Dream Team. Limited opportunities are available to promote your company on an avenue banner displayed along New Cut Rd, Taylor Blvd and National Turnpike.

- The full-color signs feature the SWDT logo, SWDT web address and your company or organization's name in text.
- Signs measure 30" wide by 60" tall.
- Sign placement will be approximately 2/10 of a mile on each side of road.
- Sign locations chosen on a first-come-first-served basis.

- Signs will be replaced at no cost to the advertiser if they become damaged within two years of placement.

The cost is only \$250 for sign production and placement. Artwork shown at right is a proposed design.

Sign up today to show your Southwest pride

Organization's name as listed on banner: PLEASE PRINT
